

Regional P&P Invitation

The annual regional meeting of the ABA Committee on Practice and Procedure under the NLRA (P&P Committee) will be held on November 18, 2015 at 12:00 noon at Stearns Weaver Miller, 150 W. Flagler Street, Suite 2200, Miami, Florida 33130. The P&P Committee focuses on procedural labor law issues that arise in the representation and unfair labor practice process. Since this is the only regional meeting the Committee holds during the year, we encourage you to attend and learn more about the Committee's activities.

The meeting will include:

- A presentation by the area Regional Director, Margaret Diaz, on Regional issues and initiatives, including a Q&A session with her.
- A discussion of procedural issues and problems that practitioners have encountered over the past year in their practice before the Board. A list of these issues will be presented to the General Counsel and Board Members for response at the P&P Committee's Midwinter Meeting.
- A discussion of possible topics for papers and presentations at the P&P Committee's Midwinter Meeting.

We hope that you will be able to attend the meeting and become involved in the Committee's activities this year. If you are not able to attend, please encourage another attorney from your office to do so. In this regard, the ABA and our Committee are particularly interested in diversity on the Committee and, thus, we appreciate your efforts to encourage minority or female attorneys to attend the meeting.

RSVP by email to either Lisa Berg (lberg@stearnsweaver.com) or Noah Warman (nwarman@sugarmansusskind.com) at your earliest convenience.

We will have a call-in number for those individuals who wish to participate by telephone. Please let us know if you will be participating by telephone and we will provide the call-in number to you. We look forward to seeing you on November 18th.
